HOG CHAPTER PRIDE PATCH PROGRAM INTRODUCTION

The Pride Patch program awards a "Pride Patch" to Bakersfield H.O.G. members for their participation in Chapter activities. The patch displays our Sponsor's logo with the words, "HOG CHAPTER PRIDE" at the bottom.

EARNING A PRIDE PATCH

A Pride Patch is awarded to a member when 20 points have been earned for attendance at an activity and the minimum numbers of required points have been earned in each point category. (See chart below). To earn a point at an activity, the member must have their individual Pride Patch Passport signed at the event by the Chapter Officer in Charge or an authorized representative of our Sponsor. It is the member's responsibility to locate the appropriate individual to sign the Passport.

PRIDE PATCH ROCKERS

Pride Patch rockers are awarded to signify the calendar year in which a member earns the points necessary for the award. Members previously earning a Pride Patch receive the year rocker only. Members do not have to complete the necessary points to earn a Pride Patch within a calendar year.
